ABOUT THE MARJORIE SCOBORIA GREENWAY

The greenway was partly funded
through phases one and two by
the Scoboria Fund, a generous
bequest by long-time library
trustee and supporter Marjorie
Scoboria.

The final stage of funding is
dependent upon the rest of us.
Please consider donating to
preserve and improve this parcel
of land for the town's present
and future enjoyment!

A Space for All

After many years of planning, it's time to begin the final phase of the greenway project. Phases one and two were funded with a bequest from Marjorie Scoboria, long-time trustee and library supporter, as well as funds from the library and town. These covered our new, much needed storage building, as well as the site preparation needed to make this garden truly a new jewel in our town's center.

Phase three provides an opportunity for us all to invest in this project, like Ms. Scoboria before us, to make this beautiful greenway a reality.

Your donation will put the library many steps closer to our ultimate goal of creating a beautiful and inviting outdoor space for all residents.
